The "e4 e5" magazine announces a formal tourney on the occasion of the 60th anniversary of the Romanian composer Gabriel Nedeianu. *He invented the fairy piece named Dolphin, which combines the powers of the Grasshopper and the Kangaroo.* The competition will have two sections, the registered problems in the tourney will be published on www.e4e5magazine.eu.

Section A Fairies all genres with Dolphin (DO). Theme free.

Section B Fairies all genres with Dolphin (DO) & one or more of the following pieces: [Grasshopper](#) (G), [Locust](#) (L), [Kangaroo](#) (KA), [Zebra](#) (Z), [Antelope](#) (AN), [Gnu](#) (GN), [Camel](#) (CA), [Giraffe](#) (GI), [Squirell](#) (SQ) and condition SENTINELLES. Free theme.

Send the problems to the Director of the tournaments who will be the judge: Gurgui Dan-Constantin contact@e4e5magazine.eu. A participant can publish only five issues in each section, including the co-author. The preliminary and final awards of the championship will be sent to participants by e-mail and will be published on the "e4 e5" magazine in 2021. Closing date: November 24th, 2020 (Gabriel Nedeianu's birthday). Please reprint!
